

Intro and Chapter 1

Mineralogy, Fall 2006

E. Goetze, Fall 2006

Practical Stuff

- Elli's email: elizabeth-goeke@uiowa.edu
- Elli's office: B24H, which is at the end of the maze in the sub-basement
- Elli's office hours: 2:30-3:30 Monday and 10:00-11:00 on Wednesday & Thursday in my office or 135 TH
- Coffee hour: 2:30-3:30 Friday at Java House on Washington St.

E. Goetze, Fall 2006

Lab

- Required items:
 - Hand lens
 - Key for 135 TH from Georgie Greiner (main office 121 TH)
- Recommended:
 - Colored pencils
 - Pictured guide to optical mineralogy (*e.g.* Minerals in Thin Section by D. Perkins & K. Henke, A Color Atlas of Rocks and Minerals in Thin Section by W.S. MacKenzie & A.E. Adams)
- Policies:
 - No late lab assignments will be accepted without prior permission from Elli except due to documented illness or emergency

E. Goetze, Fall 2006

Chapter 1

- Definitions:
 - Mineral
 - Geology vs. general public
 - Metamict
 - Mineraloid
