CRaTER
Electronic, Electrical, and
Electromechanical (EEE) Parts
Identification List (PIL)

Dwg. No. 32-04002

Revision 02

November 26, 2007

The CRaTER Electronic, Electrical, and Electromechanical (EEE) Parts Identification List (PIL) identifies EEE parts types listed in EEE-INST-002. It has recorded special work done, such as special screening and qualification, Also included are ALERT information, quality/reliability attributes, radiation tolerance, next higher level of assembly, screening and qualification status, and many other bits of data on each part designed into the CRaTER Instrument.

The EEE Parts Database will satisfy Contract Data Requirements List Items number 48, Parts Identification List. This will ultimately become the as-built EEE parts list.

NOTE: Attach CRaTER as-built EEE PIL dated 9/20/05
